PUBLIC SEMINARS

Ergonomics Process Owner Workshop

Learn to make simple and effective human performance improvements in the workplace with these open-enrollment training programs offered by Humantech's experienced ergonomists. Hands-on problem solving methods will help you recognize, evaluate, and control ergonomic risk.

Ergonomics done right with our new blended-learning workshop!

The curriculum of this new workshop reflects key learnings along with the latest research and technology to drive the improvement process. This course goes far beyond learning the Ergonomics Hit List[®], BRIEF[™] Survey, and NIOSH Lifting Equation. With access to our e-learning modules prior to the course, you'll have the basics out of the way before you arrive, ensuring you're ready to roll up your sleeves and get to work.
